Dear René

You wanted to know the Welsh for Requiescat etc. The forms seem to go like this:

Requiem aeternam dona ei

Dyro iddo orffwys tragwyddol
come to him rest eternal

Requiescat in pace

gorffwysed mewn hedd (or tangnefedd)
may he rest in peace

~~Lux perpetua luceat ei~~

~~A llewyched arno oleuni gwastadol~~

Lux perpetua luceat ei

A llewyched arno oleuni gwastadol
shine on him light perpetual

Bit of monkey in each case. Better in Latin.
